

SIA Sim Docs-Customer Agreement

Only public and private schools serving K-12 grades are eligible.

The simulator uses a Linux OS, no internet needed

The simulator can only be used with our installed software. No other software is allowed to be installed.

If the organization receiving the sim can no longer use the sim they agree to return it to SIA for use at another district

No additional aircraft can be installed on the sim without prior approval from The SIA Foundation.

No changes should be made to the simulator software without prior approval from The SIA Foundation

Please check our website and social media for updates

Take pictures of students and send to us.

Line up articles for local newspapers, TV, school newsletters

Please work with the students on how to best use the sim

Add a backlink to our website from your district's website

Do not give out the username and password to students

These requirements need to be confirmed before we ship your SIA Sim:
